A swimmer or diver must be officially added to your roster 2 DAYS PRIOR to the meet you wish them to compete in

Carolyn Johnson conducted a scoring clinic prior to the start of this meeting if you were unable to attend and would like the information it will be posted on the website. It was noted that the scorers are critical to the meets and we need to be aware to stop the meet if need be to let them catch up. Thanks Carolyn for conducting this important clinic.

3. Championship sites and Club Participation by all: Host clubs received packet with all necessary information. Let Carolyn Johnson know if you need any additional copies.

Divisional Host Clubs - Please remember to bring the Summary sheet to the All Star meet. Color coded cards go to the coach of the swimmer or relay team that win an event at championships. Coaches need to bring these to the All Star meet.

Please remember that if a winner at the Divisional Championships is unable to attend All Stars please inform the second place swimmer so that they will come and we will not have any empty lanes. If a member of a relay team cannot come to the All Star meet then the club can use another swimmer from their team or another swimmer from that division as long as age requirements are met. It was noted that if that relay team were to break a record they would not get a medal.

Division IV & V will have their diving championship meet at Pocantico.

4. Old Business: Starting system – refurbished if interest let Meg Kaplan know.

On website: Please see B Meet Schedule and B-Meet rules. If you did not sign up for B-Meets and would like to participate contact a host team directly to see if they can accommodate you. If a swimmer needs a meet (2meet rule) to qualify for championships they can use a B-Meet to qualify.

Scoring in Dual meets –If diving - 271 is the score that if met means that a team has won the meet. We will list the magic number on the website for situations when there is no diving. It is the responsibility of the head coach to inform the official that your team will stop scoring.

Head Coaches must introduce themselves to the Meet Official(s).

Please remember that at the All Star meet the 8&under relays go first and then the rest of the meet follows the championship order. Dual meet format is different than championships.

Please see link to list of acceptable suits (FINA approved). NFHS suit rule on website.

5. New Business:

Regarding logos on suits and/ or caps please see National Federation of State High School Association's Rule 3, Section 3, Article 1 on page 20 of rule book.
